Subject: Bristol Bay Watershed Assessment & Mining Information Session Planning - Newhalen

Hi Lisa,

Hope that you are doing well. Rick tells me that you have offered to help with planning for the Iliamna and Newhalen trip that is happening June 1st and June 2nd. If we could find a time to talk that would be great. I am free after 230PM today if you are available please let me know where to call you.

The two events I am working on planning for are the following:

Bristol Bay Watershed Assessment Listening Session - Wednesday evening (June 1st) @ Newhalen Teen Center 7-9PM

Mining Information Session - Thursday June 2nd - Newhalen Teen Center - 830-4PM

Rick tells me you are still trying to find out lodging information for Iliamna, there will be 9 EPA folks in Iliamna the night of June 1st. If you have any suggestions for places to stay I am happy to call and make reservations.

I am working on getting out an agenda soon so I will have a flyer that can be sent around and hopefully posted in the communities. Thanks for your help.

Sincerely - Tami
